not the right to do wrong.*  
--John G. Diefenbaker

Everybody wants to be free

freedom away

Another thing to know  
Freedom comes with a price  
A price to share forever now  
Price is Tolerance  
Tolerance for each other  
Or else  
Freedom's dead and gone

Why can't you hear 2x  
The voices of freedom sing  
Freedom's here to stay

Why can't you see 2x  
The good that freedom brings  
Freedom's here today

[Let no one take your precious
